

Århus Baseball Softball Klub welcomes back all players and supporters as we prepare for the 2023 season. After what can often become a slight winter hibernation, we are ready step back onto the field for some Spring ball. With this newsletter, we plan to fill you in on some upcoming club events as well as give some previews on the teams we have this year. Below, we also list the practice times and link to game schedules for all teams.

Upcoming events

General Assembly

30/03/2023 – 19:00-21:00

We have our General assembly on Thursday, March 30th at 19:00-21:00. Here, we will discuss the year in review and the year to come. It takes place at Dokk1, and everyone is welcome!

Field day

01/04/2023 – 10:00

On April 1st, we have our annual field preparation day starting at 10:00. On this day we encourage everyone to come help, as we roll up our sleeves and do the dirty work necessary to have an operational field and club house for another season. Everyone can come help out, even juniors and parents. The more that show up, the easier the work! Rest assured; pizza will be provided.

40th Anniversary Party

TBA

This year, we celebrate the 40th anniversary of ÅBSK. We would like to have a party this summer, where we celebrate this milestone in proper fashion, welcoming all past and present members.

To pull this off, we're looking for anyone interested in joining a small party-planning committee so we can try to put a quality bash together. We'd like to get representation from all teams and, if possible, to make it a well-rounded and fun event for all, to properly celebrate the past, present and future of this little club.

If you are interested in joining the party planning group, please write to Vivian at vivianculp@gmail.com

Team previews

Juniors

Coach: Carla Bello, carla@aarhusbaseball.com

Asst. coach: Vivian Claire Culp, vivianculp@gmail.com

This year the juniors are back again for another fun season. Like last season, they will be competing in the Danish U15 softball championship tournament for game experience, while the practices will be mostly baseball.

U19 Fastpitch softball

Coach: Philip Spielmann, philip@aarhusbaseball.com

The U19 team will be partially absorbed into the Women's fastpitch team; Practices will be combined with the Royals and coached by Philip. Luckily, this means that U19 players have twice the opportunity to gain game experience, as they can play games both in the Women's league and the U19 league. Our U19 players will have the opportunity to play in U19 tournaments by joining other teams in need of players. That way, they can both contribute to the tournament and gain personal experience.

Women's Fastpitch softball: Aarhus Royals

Coach: Philip Spielmann, philip@aarhusbaseball.com

Team manager: Vivian Claire Culp, vivianculp@gmail.com

This season the women's team, Aarhus Royals, are back and ready to go. Having gained some new players over the off-season, it will be exciting to see how everything plays out on the field. As mentioned, the U19 players are joining as well, so the team is hoping for a large turnout at practices and games.

Århus Baseball

Coach: Thaddeus Golbek, [+45 2575 3041](tel:+4525753041)

Aarhus Baseball is back for another season and hoping to redeem their loss to the Malmö Pilots in the 2022 Danish Championship final. A new factor that might give them a competitive edge: the Thursday practice is now open to players from the West teams, including Herning and Aarhus Athletics. As they say, keep your friends close...

Aarhus Athletics

Coach: TBA

In 2021, Aarhus Athletics won the Danish Championship. The coach this year is still to be announced, but the hope is to climb back to the top. Having the open practice on Thursdays will give players more practice time in addition to the regular Friday practice. If both Athletics and Århus Baseball take advantage of this, we may hope to see a repeat of the exciting 2021 Final.
